Philip Bardowell & the Uprising

Christian Worship Encounter at the Sonoma-Marín Fair
Petaluma Fairgrounds

Philip Bardowell got his start backing the legendary surf duo, Jan and Dean, as their bassist and backup vocalist. Consequently, Mike Love of the legendary Beach Boys, hired Philip to serve as lead guitarist and vocalist in his Endless Summer Beach Band. By the time he was 25, Philip teamed up with Peter Criss and Ace Frehley of KISS fronting Peter's band "CRISS" as lead singer and rhythm guitarist.

After serving this role for two years Philip discovered that he felt a void just singing and playing music for the sole purpose of entertainment and began attending Saddleback Church in Orange County, CA in search of a new purpose for his life. By the grace of God, he was asked to join the praise team and began serving regularly as a vocalist and musician. This led to his acceptance of Jesus Christ as his personal Savior. "I came to Christ by worshipping Him through song. He entered my heart through my praise and worship of Him and my life was changed forever." Philip found a new passion in serving The Lord, and continues his career as a professional musician.

Bardowell now performs as lead vocalist in the Frontline Records Christian Rock band, MAGDALEN, together with former House Of Lords members Chuck Wright, Lanny Cordola and Ken Mary.
