

My name is Trixie and I am a
9 year old pug from Pennngrove, CA
I came into my "ugly" in recent
years, according to

humans and other canines.

My hobbies are snoring, watching
animal planet and frolicing with my
2 pug companions.

I've been told that my face
is the pinacle abyss of ugly and
one should not stare at me
for too long.

If being ugly is wrong then I
don't want to be right. I am living
proof that ugly is the new pretty!
