

MAKE YOUR OWN GIANT DICE

Bigger is better when it comes to dice, especially for a game of outdoor Yahtzee! Make your own with supplies you have at home!

Each artist can make all 5 for his/her own lucky rolls or members of the family can make a collection to use together!

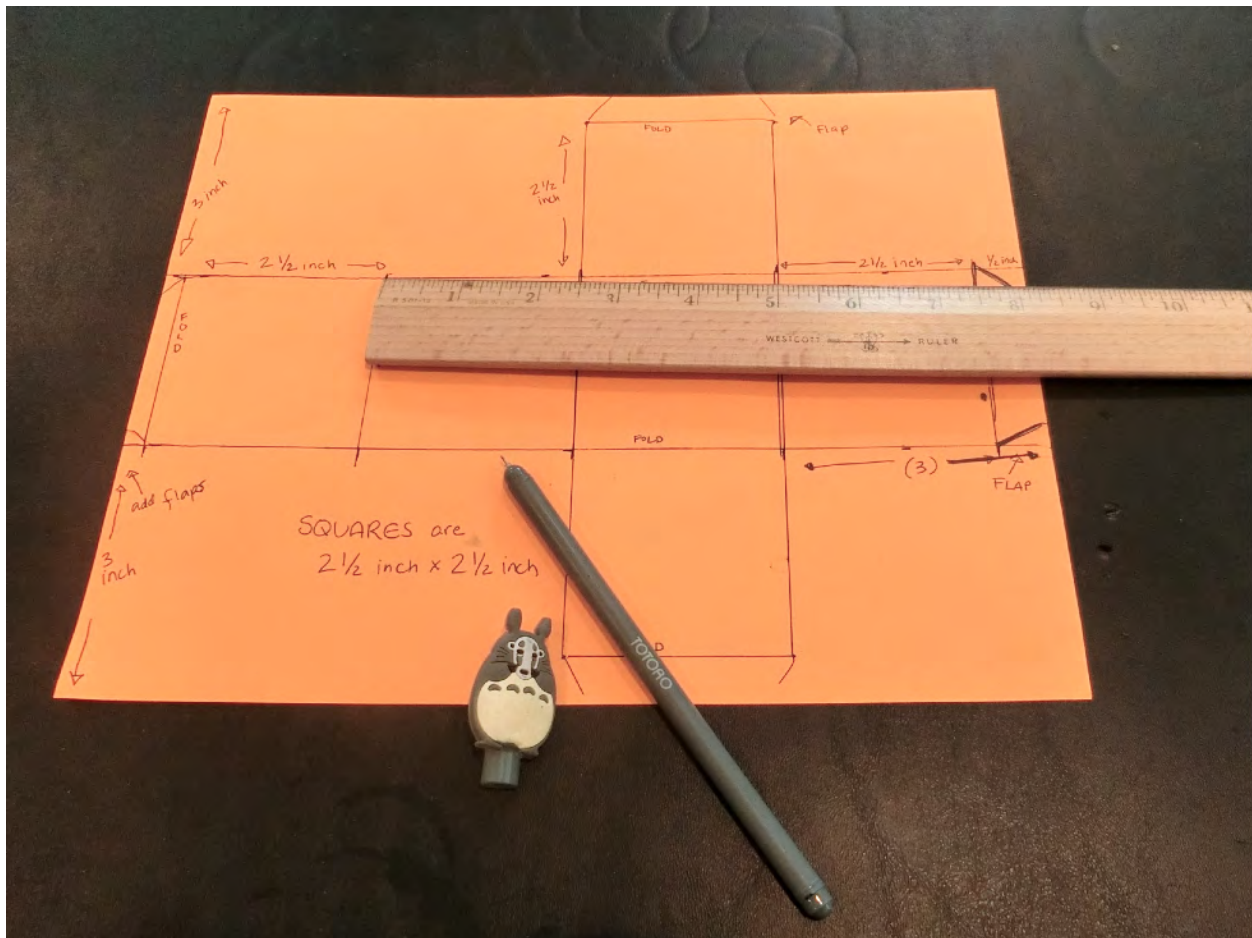

SUPPLIES YOU NEED

- * Paper or Cardstock
- * Scissors
- * Ruler
- * Tape (or Washi Tape)
- * Colored Pens
(or Crayons, Stickers, Pencils)

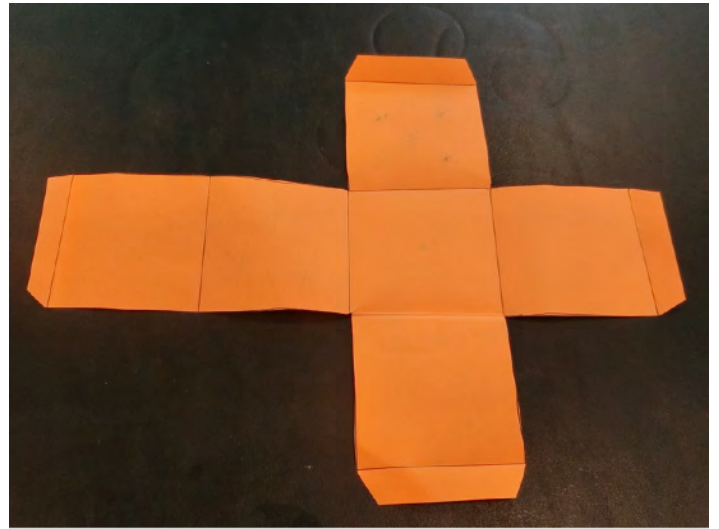

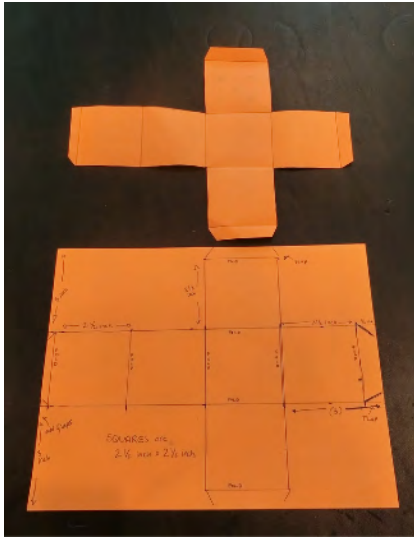

INSTRUCTIONS

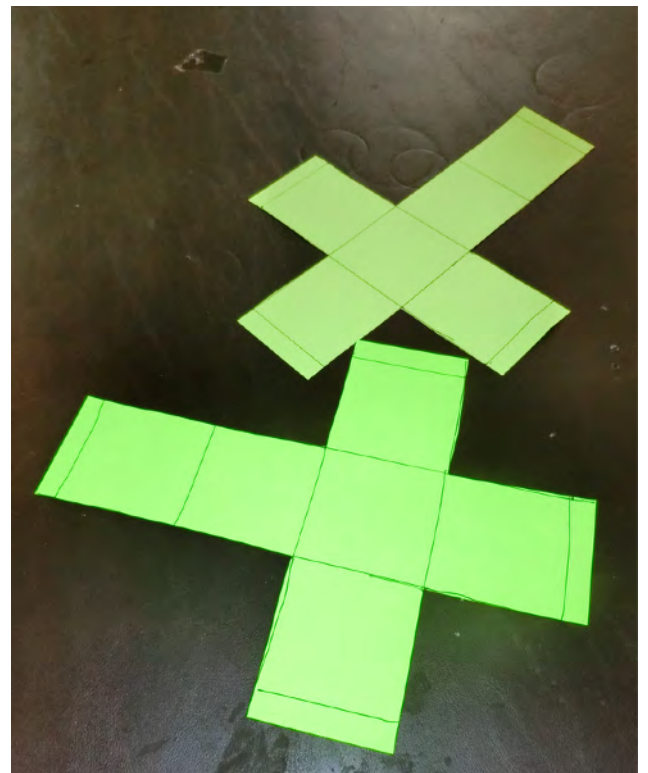

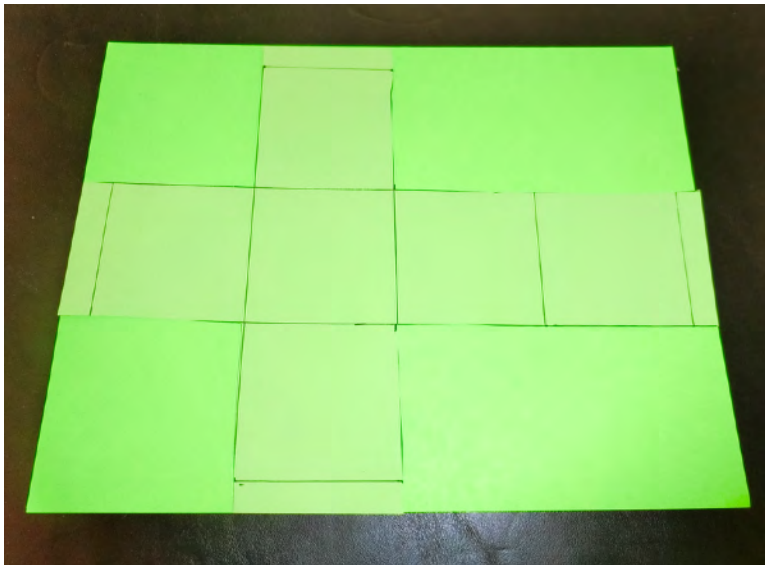

1. Using the ruler and instructions, sketch out dice template
This is my homemade one, but there is also a link to a digital one on our Virtual Sonoma-Marin Fair Website.

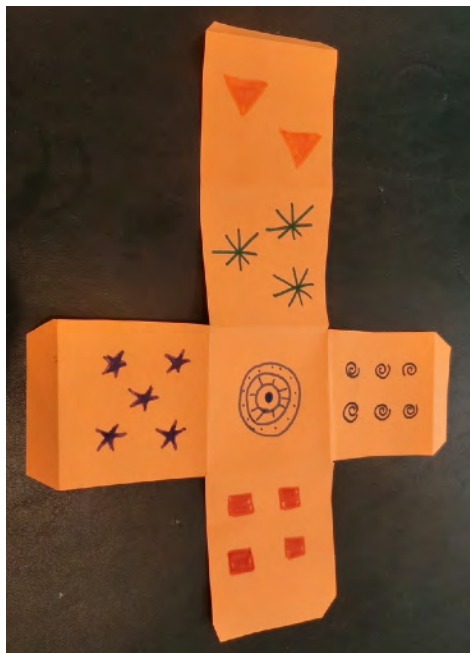

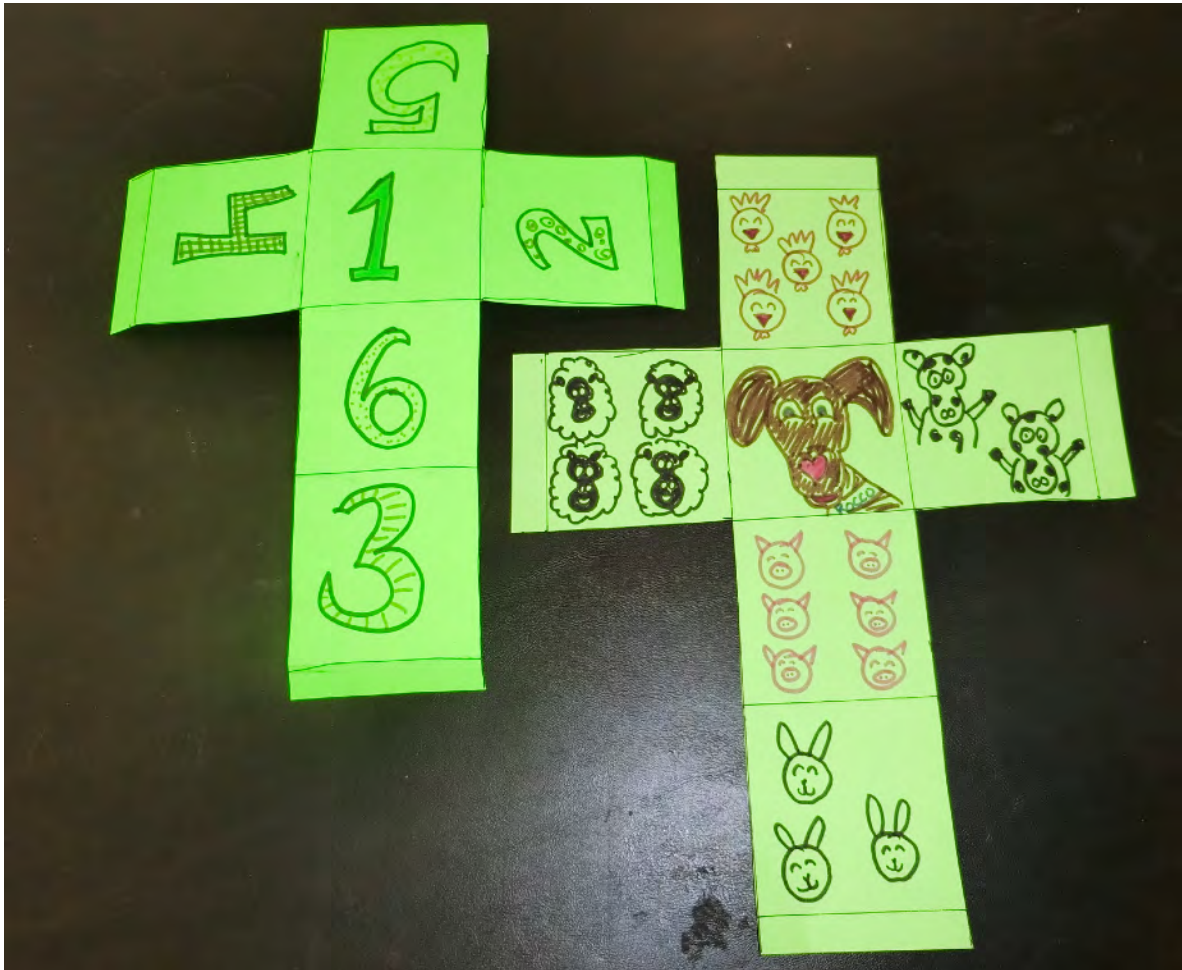

2. Cut out Dice.

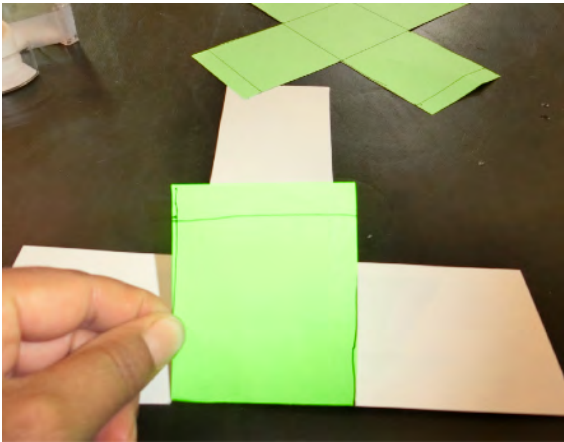

3. Using cutout, you can trace your other dice (just marking in the fold spots).

4. Decorate with numbers 1 - 6 putting a number or drawings on each side to make dice.

5. Fold along lines to create a cube - tape sides
You can use washi (decorative tape) for a snazzy look!

6. Make enough for the game of your choice and have fun through your new giant dice!
