California Foundation for Agriculture in the Classroom is a wonderful resource for agriculture materials aligned to state standards. From lesson plans and Agriculture fact and activity sheets to newsletters and the "What's Growin' On?" student newspaper, resources provided by this organization are great tools in preparing projects for the Sonoma-Marín Fair, as well as gaining a better understanding of agriculture in our community and state.

**Please feel free to contact the Fairgrounds at 707-283-3247 for more information about our Agriculture Education programs or for help obtaining Ag Literacy materials.**

**RULES:**

1. Only projects made in school under the supervision of a teacher may be entered. The teacher MUST sign entry form and the name of the school must be listed.
2. Limit of one "class project" per classroom.
3. An article may not be entered in more than one class and an exhibitor may not enter more than one article from the same pattern.
