2024 California Fair Season

Welcome to the 2024 California fair season!

California fairgrounds continue to play a vital role in our state. As we enter a new year, and prepare for the new fair season, there is so much to be excited about. As a California fair exhibitor, you have a key part to play in teaching the public about the history of agriculture and its importance for the Golden State. Whether you are a new or a seasoned exhibitor, this is a unique opportunity to engage with members of your community, form a connection with California's farmers and ranchers, and attract future generations of agricultural leaders.

Annual fairs in California provide an invaluable family experience and proudly display our state's vast diversity of cultures and traditions, all while operating as economic engines and creating jobs within their communities. When fairgrounds are not hosting their annual fairs and other events, they serve their communities as resilience centers. During various floods, storms, and wildfires last year, fairgrounds across the state were activated by their local Office of Emergency Services to serve as evacuation centers for people, pets, and livestock.

Time and time again, fairgrounds demonstrate their importance to our state, and so much of this would not be possible without the good work of our dedicated fair exhibitors. Thank you for your advocacy and commitment to our state and the agricultural community. We look forward to another successful year in 2024!

Sincerely,

A handwritten signature in black ink, appearing to read "Gavin Newsom", written over a horizontal line.

DEPARTMENT J18 | ROUND ROBIN SHOWMANSHIP

- **LARGE ANIMAL ROUND ROBIN:** FFA, JR and SR 4-H contestants will be required to show: Beef, Dairy Cattle, Dairy Goats, Sheep and Swine.
- **SMALL ANIMAL ROUND ROBIN:** FFA, JR and SR 4-H contestants will be required to show: Cavies, Dogs, Poultry, Rabbits and Pygmy Goats.
- **MASTER ROUND ROBIN:** Exhibitors that qualify in any of the following: FFA Large Animal Round Robin, FFA Small Animal Round Robin, 4-H Junior Large Animal Round Robin, 4-H Junior Small Animal Round Robin, 4-H Senior Large Animal Round Robin or 4-H Senior Small Animal Round Robin have the option to participate. The competition will determine the overall Master Showman in the FFA Section, 4-H Junior Section and 4-H Senior Section.
 - For example, the exhibitors eligible to compete in FFA Large Animal Round Robin may compete in the FFA Small Animal Round Robin competition and vice versa – **for points only** - they cannot win the FFA Round Robin competitions that they did not qualify for. Once the points are calculated, the Master Showman winner will be announced at the Sunday Awards Ceremony.
 - Exhibitors interested in competing for the title of Master Showman **MUST SIGN UP** in the livestock office by Noon Saturday, June 22nd with their intent to compete. They will be expected to show up at both the Small Animal and Large Animal Round Robin competitions for their section at the time posted in the Participants Guide and Awards Book.
- **OPEN JUNIOR CLASSIC ROUND ROBIN:** Open to those exhibitors who place 1st or 2nd in the 14 and Over Open Junior Classic showmanship class. The 1st and 2nd place winners in the 12-13 class are eligible to bump up into the 14 and over class. Exhibitors will be required to show: Market Steers, Market Lambs, Market Goats and Market Hogs. **11 and Under are ineligible to compete for Round Robin.**

RULES:

- 1 FFA and 4-H members qualify by placing 1st or 2nd in showmanship classes for FFA (FFA Round Robin), 12-13 years old (JR 4-H Round Robin) and 14 years and older (SR 4-H Round Robin).
- 2 **No bumping up:** Exhibitors younger than 12 years of age as of January 1, 2024, may not compete in Round Robin. **For Classic Round Robin qualifications see above.**
- 3 Should an exhibitor qualify in more than one Section (i.e., Exhibitor placing 1st in Beef Showmanship and 2nd in Sheep Showmanship) no other exhibitor will be considered to replace him/her to participate in the Round Robin competition.
- 4 Instead of showing in pairs, **all contestants will show the same specie simultaneously.** For example, all FFA exhibitors will show beef at the same time, then rotate to another specie.
- 5 Instead of all species in the same ring, contestants will rotate to a different ring after showing two species.
- 6 Exhibitors will be scored individually by each judge on a scale of 1 through 10 points. The score is based on how well the exhibitor shows the assigned animal and answers questions posed by the judges.
- 7 A maximum of 20 minutes will be allotted per species. Animals will be assigned randomly.
- 8 **Exhibitor MUST fill out an application in the Livestock Office by noon on Saturday if they plan to participate.** An accurate count of participants is needed to ensure that enough animals are provided.

- 9 All Small Animal Round Robin contestants will report to the Fur and Feathers Tent 15 minutes prior to the start of Small Animal Round Robin to receive their show numbers and further instructions. All Large Animal Round Robin contestants will report to the Cattle Ring 15 minutes prior to the start of Large Animal Round Robin to receive their show numbers and further instructions.
- 10 In the event of a tie score between two or more exhibitors, the tie will be broken in the following order: The exhibitors with the highest score on the specie that qualified them for Round Robin. If the exhibitor qualified with more than one animal, it will be the exhibitor's choice as to which score to use. The highest and lowest scores will be dropped followed by re-tabulation of scores.
- 11 An exhibitor who is a member of both 4-H and FFA may enter either 4-H or FFA Round Robin, but not BOTH.
- 12 After the Awards Program the scores will be posted at the Livestock Office.
